

On May 1, 2018- November 1, 2018 the City of Donalsonville will be doing a CDBG water project. Blankenship Construction from Dothan, Alabama will be the contractor for the water project. The project will consist of installing new water main and service lines. Customers in these areas could experience short water outages during this time. Also, there will be construction in the areas which may block off the roads due to cutting of the highway. Some areas included in the project are listed below:

- S Joseph Ave
- S Newcombe Ave
- W 6th Street
- W 7th Street
- W 4th Street
- S Morris Ave
- W 10th Street
- W 11th Street
- W 12th Street
- W 13th Street
- Bush Ave
- S Knox Ave
- S Wiley Ave

If you have any questions call City Hall at 229-524-2118.

Thank you!
